REMARKS

Applicants respectfully request entry of the present amendments which generally

conform the specification and claims to U.S. practice.

Concerning the claims, Applicant requests that any amendments which may have

been made during the International Phase of the corresponding PCT application not be

entered in this U.S. National Stage filing. Instead, Applicants request entry of the present

amendments under 37 C.F.R. §§1.115 & 1.121, which are based upon the claims as originally

filed in the International Phase of the PCT application. Herein, original claims 1-11 are

cancelled and claims 12-19 are newly added in order to conform the claim set to U.S. practice

and standards.

No new matter is being introduced by this amendment as antecedent support is set

forth in the originally filed application.

Prosecution on the merits is respectfully requested.

If there are any charges with respect to this Amendment or otherwise, please charge

them to Deposit Account No. 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,

Daniel F. Drexler
